---

## **Purchase Information:**

- A set of Study Plans usually consist of a Hull Construction Plan/Deck Plan, Cabin Plan and Outboard Profile/Sail Plan all to the same scale as originally drawn and printed on bond paper.
- A set of Building Plans consist of one copy of all available plans to the same scale as originally drawn and printed on bond paper.
- Other Plans are printed to the same scale as the original on bond paper.
- The Plan scale can be changed for an additional cost of \$10 per print.
- The pricing of John G. Alden Building Plans is a function of boat size, when she was designed and how detailed the design is.
- All prices shown on our web site are in US funds.
- International orders should be paid with check or bank money order drawn on a US bank, or bank wire transfer for an additional \$10.
- Building Plans are usually sent rolled in a tube and Study Plans are folded and mailed in an envelope. Study Plans may be shipped rolled in a tube for an additional cost of \$5.
- International orders are folded and mailed in an envelope.
- For international airmail add \$15 for Study plans, \$35 for Building plans.
- Prices are subject to change without notice.

## **Conditions of Sale:**

The undersigned understand that:

NHYD agrees to supply the plans ordered upon acceptance of payment.

NHYD authorizes the construction of 1 (one) boat from the purchased Building Plans unless other specific arrangements have been made in writing about royalties on sisterships.

The John G. Alden designs are protected and may be used only as authorized.

Strict compliance with the plans in regards to the specifications and materials is required for achieving the intended boat performance.

The Building Plan purchaser agrees, since NHYD is not building or overseeing the construction of the boat and thus cannot have any assurance as to the accuracy of the builder in following the design, to hold NHYD harmless from any damages caused by the use of the supplied plans.

All plan sales are final.
